Technical and Product Description	Designed by Marcello Ziliani in 2005, the TILEE is an elegant modern design wall light. The TILEE has a die-cast Zamak body with a chrome finish. Its diffuser is flashed, blown glass in white. The TILEE wall sconce emits diffused light. Inspiration behind the Design: Marcello Ziliani has used his degree in architecture to the fullest by creating simple yet elegant designs like the Tilee that work in several varied surroundings. Equipped with a degree in architecture, Marcello Ziliani is inspired by simplicity and elegance and that is what his designs are known for. Take the Tilee for example. This modest, yet sophisticated lamp blends well in varied surroundings.
